WELCOME TO EVERLUXE CABINETS

Everluxe is the combination of luxury quality in three distinct categories. The Everluxe Regal Collection offers discount pricing without discounting quality. Can you imagine an all wood, self-closing, full extension, full overlay cabinet at a price point that will seem next to impossible? Everluxe has conquered the trials of many with its Regal Collection. The Regal Collection of Everluxe cabinets will give the DIY folks a reason to get excited.

Secondly, Everluxe launches its biggest category. The Grand Collection. The Grand Collection offers pure luxury in the finest of cabinetry. Nine colors, three door styles, with standard features such as soft close drawer guides, full extension and full overlay and over 200 skus per color line. The vast amount of inventory will surely please the most discerning buyer.

Lastly, the Noble, Opulent and Royal Collections. These three collections take luxury to a whole new level. Add an additional 10 door styles, 20 colors and 10 stains to the Everluxe brand and you have the complete package.

The Everluxe brand operates on a good, better, best model. Everluxe has something for everyone. From entry level to fully custom, Everluxe has it all.

5 YEAR LIMITED WARRANTY

- All of our cabinets are warranted to the original purchaser for five years after the purchase date. We guarantee the original purchaser that all parts and components are free from defects in material and workmanship under normal use. (Defects are defined as any imperfection that may prohibit the proper use of the cabinets.) This warranty applies to the original cabinet purchaser only and is Non-transferable
- As with all natural materials, wood is affected by the environment factors such as natural and artificial lighting. Darkening or mellowing can be expected and is a natural process for wood as it ages. Each wood species also exhibits its own distinctive patterns and characteristics which add to its natural beauty. These variations in color and characteristics are not considered imperfections or defects. This warranty does not cover the natural aging and darkening of the wood color nor does it apply to the inherent growth characteristics of wood. Painted finish joint breaks on door and drawer face stile and rail joinery are normal and not considered a manufacturing defect due to the natural expansion and contraction of wood. A touch up kit can be ordered to reduce the appearance of this situation. Doors that are warped 1/4" or less must be allowed to hang in a climate controlled environment through two (2) seasons (i.e. apring, Summer) before replacement will be made. Typically, the door will retain its normal flat position after conditioning to its environment. Prior to requesting a replacement, please be sure that the problem is not an installation deficiency.
- This warranty applies only to normal indoor consumer use. Product used for commercial or outdoor use is excluded. Not covered under this warranty are cabinets showing normal wear and tear: cabinets that were not stored or installed properly, improperly assembled or disassembled, intentionally damaged, misused, or exposed to the elements: cabinets that have defects due to excessive moisture, accidents or negligence: and cabinets that have been changed or modified in anyway.
- This warranty is expressly limited to the repair or replacement of the defective component parts at our discretion. Our liability is expressly limited to the cost of material for the repair or replacement of defective goods. We may elect to repair or replace the product with a product of equal or lesser value and complementary style if the original style is no longer available. Due to the aging process of natural wood, Everluxe cannot guarantee an exact match between the finish of the existing product and the replacement product.
- In no event is Everluxe liable for incidental, indirect, or consequential damages resulting from the use of our cabinets. This warranty does not cover the cost of assembly, installation, removal, subsequent damage or transportation of the defected product or replacement.
- Some States do not allow limitations on how long an implied warranty may last or the exclusion and/or limitations of incidental and/or consequential damages. Therefore the above limitations may not apply. This warranty slows specific rights that may vary from state to state. Any claims made under this warranty must be presented in writing with a dated sales invoice and accompanied by photographs of defective material.
