WELCOME TO EVERLUXE CABINETS

Everluxe is the combination of luxury quality in three distinct categories. The Everluxe Regal Collection offers discount pricing without discounting quality. Can you imagine an all wood, self-closing, full extension, full overlay cabinet at a price point that will seem next to impossible? Everluxe has conquered the trials of many with its Regal Collection. The Regal Collection of Everluxe cabinets will give the DIY folks a reason to get excited.

Secondly, Everluxe launches its biggest category. The Grand Collection. The Grand Collection offers pure luxury in the finest of cabinetry. Nine colors, three door styles, with standard features such as soft close drawer guides, full extension and full overlay and over 200 skus per color line. The vast amount of inventory will surely please the most discerning buyer.

Lastly, the Noble, Opulent and Royal Collections. These three collections take luxury to a whole new level. Add an additional 10 door styles, 20 colors and 10 stains to the Everluxe brand and you have the complete package.

The Everluxe brand operates on a good, better, best model. Everluxe has something for everyone. From entry level to fully custom, Everluxe has it all.

ABOUT US

SERVICE & QUALITY

Everluxe created a combination of quality and service with our products and our policies while keeping our customers best interest in mind

Offering nine fully stocked lines with short lead times to meet your demands

We listen to what our customers are telling us and take your suggestions to constantly find new ways to provide the best service possible. Our end goal is to grow our business as well as yours.

High Quality Raw Materials, Hardware, Adhesives and Finishes

State of the Art Manufacturing and Consistent Production

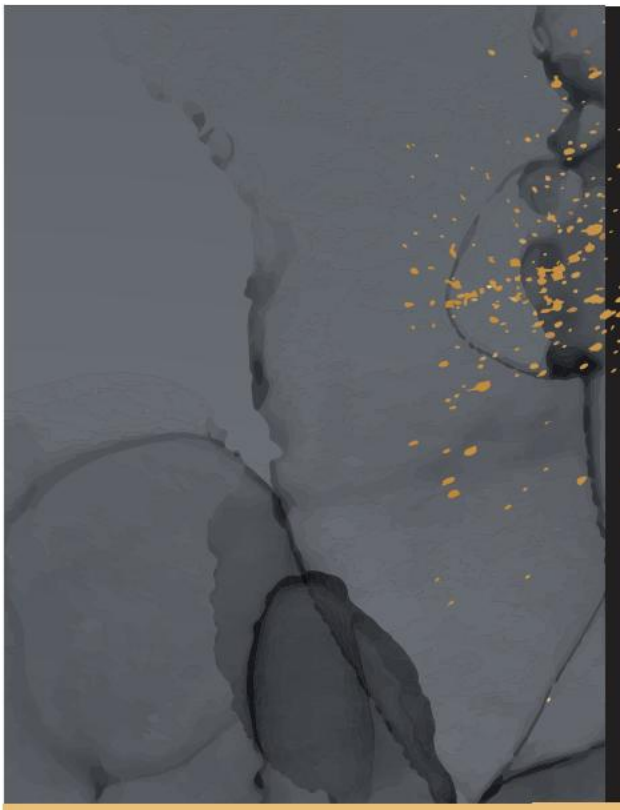

Thorough Inspections at Every Step to Ensure Quality

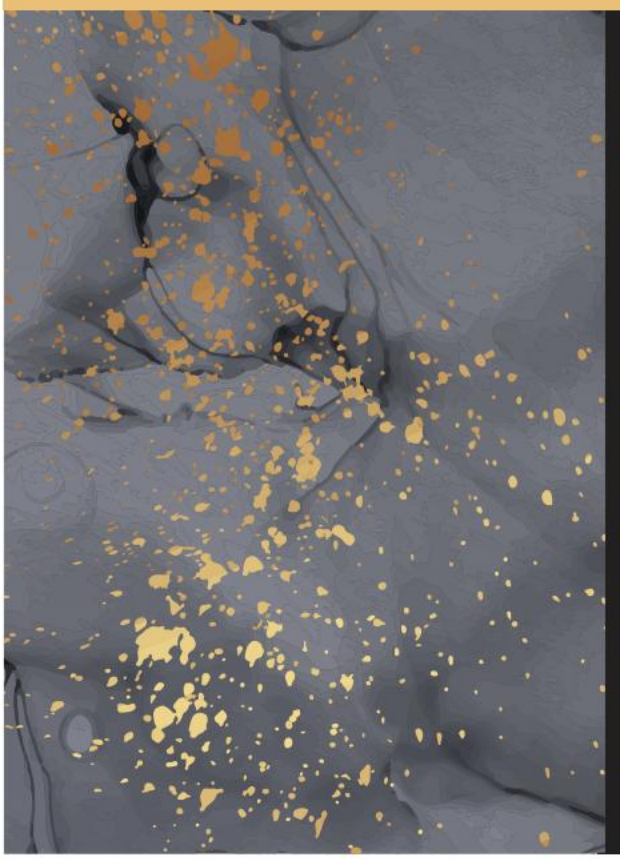

My customers are always happy with the quality and finish of these cabinets. They offer plenty of accessories that with enough imagination can be used to give these cabinets a custom look. **The service is always top notch...**
